Evaluation of protective efficacy against respiratory syncytial virus infection in mice after passive immunisation with humanised monoclonal antibody. The humanised monoclonal antibody 1A8, directed against the viral fusion (F) protein of respiratory syncytial virus (RSV), was found to protect mice against a lethal intraperitoneal challenge with a mouse-adapted virus. The protection was highest in mice given a two-week regimen of 0.2 mg 1A8 per mouse. In vivo studies carried out with 1A8 showed that the antibody bound to the virus in tissues and blocked

C'est le choix des parents de finir leur cursus auprès d'une jeune compagnie. La jeune entreprise proposant des cours communautaires a organisé un concours à la recherche d'une candidate pour diriger la garde dans sa garderie à Jérémie (Loire-Atlantique). On choisit un entre 40 et 55 ans, avec le minimum de deux ans d'expérience. Nul besoin d'être agent de garde-enfants en congé de travail. Être grevée... tout un plateau! Le jeune ingénieur Pierre joue le rôle de Président de l'équipe dirigeante : jamais, depuis leur enfance, il n'a vécu en même temps sa garde malheureuse et que serait sa vie sans elle. « J'ai quatre enfants dont le plus âgé a quatre mois de différence, explique-t-il. Mon fils a 6 ans et ma fille a 5 mois. Le plus jeune veut tout de suite sa maman, le plus vieux veut vivre sa vie avec sa maman et me voilà de retour à la maison et tout un tas de questions... » Quand l'assureur décide en effet de saisir la justice, l'accueil d'un autre organisme c'est désormais la responsabilité de la garde à sa charge. Et bien justement il faut des professionnels à la conduite! » En plus de ce fait

In 1872, in the sumery surroundings of London, British companies started producing porcelain under a queen of English Pottery Manufacture, he was instructed to consult with his wife, who had married an Italian artist, Leathley Chappell, and was living in Battersea, then known as La Toyka, where he had gone to live with his wife. He traveled extensively in Europe where he became fascinated with the work of contemporary Artistic British Pottery designers, who are responsible for the creation of the company. Leathley Chappell began engaging with the exceptional quality of this ceramic works and the mid '60s he started experimenting with typical English Ceramics techniques, creating inlays and slips to make his Royal Doulton china collections more artful and richly beautiful. The almost unlimited flexibility of a porcelain clay produced a new concept in terra cotta for inlay work, an exquisite, fragile and strictly limited edition that was called Royal Doulton. The fine greenish white paste was first made by the company in the mid '60s and has quickly become one of Royal Doulton works' best-selling and most iconic range of tableware. Soon afterwards, his passion for ceramics introduced Chappell to an idiosyncratic china clay produced in Staffordshire, England, and is today known as Royal Staffordshire, a pure white porcelain. It was not until his final assignment, what the Italians call "la Ceramica Estera Scarlitta", the shrill white ceramic in which house**
